A Collect

For the Sons of the Revolution

THOU who turnest the hearts of the children to the fathers, and hast declared that the righteous shall be had in everlasting remembrance, we thank Thee for the inspiration which called into existence the Society of the Sons of the Revolution; and the blessing which has hitherto attended it: And we pray Thee to continue to aid our Society in this and succeeding generations, in the pious work of perpetuating the memory of the sacrifices, and sufferings, and valor of our fathers, through which our priceless heritage was won.

And finally when we also shall have served Thee in our generation, may we be gathered unto our fathers, having the testimony of a good conscience; in favor with Thee our God; and in perfect charity with the world: All which we ask through Jesus Christ our Lord. Amen.

SOCIETY OF
THE SONS OF THE REVOLUTION

IN THE
STATE OF CONNECTICUT.

INSTITUTED MAY 24, 1893. INCORPORATED SEPTEMBER 7, 1893.

CONSTITUTION.

Preamble.

WHEREAS, it has become evident from the decline of proper celebration of such National holidays as the Fourth of July, Washington's Birthday, and the like, that popular interest in the events and men of the War of the Revolution is less than in the earlier days of the Republic;

AND WHEREAS, this lack of interest is to be attributed not so much to lapse of time as to the neglect on the part of descendants of Revolutionary heroes to perform their duty of keeping before the public mind the memory of the services of their ancestors, and of the times in which they lived, and of the principles for which they contended;

THEREFORE, the Society of the "SONS OF THE REVOLUTION," has been instituted, to perpetuate the memory of the men who, in military, naval, or civil service, by their acts or counsel, achieved American Independence; to promote and assist in the proper celebration of the anniversaries of Washington's Birthday, the Battles of Lexington and Bunker Hill, the Fourth of July, the Capitulations of Saratoga and Yorktown, the *formal* Evacuation of New York by the British Army, on the 3d of December, 1783, as a relinquishment of territorial sovereignty, and other prominent events relating to or connected with the War of the Revolution; to collect and secure for preservation the manuscript rolls, records, and other documents and memorials relating to that War; to inspire among the members and their de-

scendants the patriotic spirit of their forefathers; to inculcate in the community general sentiments of Nationality and respect for the principles for which the patriots of the Revolution contended; to assist in the commemorative celebration of other great historical events of National importance, and to promote social intercourse and the feeling of fellowship among its members.

ARTICLE I.

Name of Society.

The Society shall be known by the name, style, and title of "SONS OF THE REVOLUTION."

ARTICLE II.

Membership.

Any male person, above the age of twenty-one years, shall be eligible to membership in the "SONS OF THE REVOLUTION" who is descended from an ancestor, as the propositus, who either as a military, naval, or marine officer, soldier, sailor, or marine, or official in the service of any one of the thirteen original Colonies or States, or of the National Government representing or composed of those Colonies or States, assisted in establishing American Independence during the War of the Revolution, between the 19th day of April, 1775, when hostilities commenced, and the 19th day of April, 1783, when they were ordered to cease.

Provided: That when the claim of eligibility is based on the service of an ancestor in the "minute men," or "militia," it must be satisfactorily shown that such ancestor was actually called into the service of the State or United States, and performed garrison or field duty; and

Provided further: That when the claim of eligibility is based on the service of an ancestor as a "sailor" or "marine" it must in like manner be shown that such service was other than shore duty and regularly performed in the Continental Navy, or the Navy of one of the original thirteen States, or on an armed vessel, other than a merchant ship which sailed under letters of marque and reprisal, and that such ancestor of the applicant was duly enrolled in the ship's company, either as an officer, seaman, or otherwise than as a passenger; and

Provided further: That when the claim of eligibility is based on the service of an ancestor as an "official" such service must have been performed in the civil service of the United States, or of one of the thirteen original States, and must have been sufficiently important in character to have rendered the official specially liable to arrest and imprisonment, the same as a combatant, if captured by the enemy, as well as liable to conviction of treason against the Government of Great Britain.

Service in the ordinary duties of a civil office, the performance of which did not *particularly* and *effectively* aid the American Cause, shall not constitute eligibility.

In the construction of this article, the Volunteer Aides de Camp of General Officers in Continental Service, who were duly announced as such, and who actually served in the field during a campaign, shall be comprehended as having performed qualifying service.

The civil officials and military forces of the State of Vermont, during the War of the Revolution, shall also be comprehended in the same manner as if they had belonged to one of the thirteen original States.

No service of an ancestor shall be deemed as qualifying service for membership in the "SONS OF THE REVOLUTION" where such ancestor, after assisting in the cause of American Independence, shall have subsequently either adhered to the enemy, or failed to maintain an honorable record throughout the War of the Revolution.

No person shall be admitted unless he be eligible under one of the provisions of this Article, nor unless he be of good moral character and be judged worthy of becoming a member.

ARTICLE III.

Officers.

The officers of the Society of the "SONS OF THE REVOLUTION" shall be a President, a Vice-President, a Secretary, a Treasurer, a Registrar, and a Chaplain, who shall be chosen by ballot at every annual meeting from among the members thereof.

ARTICLE IV.

Board of Managers.

The Board of Managers of the Society shall be fifteen, namely: the President, the Vice-President, the Secretary, the Treasurer, the

Registrar, and the Chaplain, *ex officio*, and nine others who shall be chosen by ballot at every annual meeting from among the members of the Society.

ARTICLE V.

Admission of Members.

Every application for membership shall be made in writing, subscribed by the applicant, and approved by two members over their signatures. Applications shall contain, or be accompanied by, proof of eligibility, and such applications and proofs shall be submitted to the Board of Managers, who shall have full power to determine the qualifications of the applicant.

Payment of the initiation fee and subscription to the declaration required by the Constitution of this Society shall be a pre-requisite of membership.

ARTICLE VI.

Declaration.

Every member shall declare upon honor that he will endeavor to promote the purposes of this Institution and observe the "Constitution" and "By-laws" of this Society, and, if he be a citizen of the United States, shall declare that he will support the Constitution of the United States. Such declaration shall be in writing, and subscribed by the member making it.

ARTICLE VII.

Institution Considered.

At every meeting the purposes of the Institution will be fully considered and the best measures to promote them adopted. No question, however, involving the party politics of the day within the United States shall ever be discussed or considered in any meeting of the "SONS OF THE REVOLUTION."

ARTICLE VIII.

Commemorations.

It shall be a standing Regulation that the members shall, when practicable, hold a commemorative celebration and dine together at least once every year.

ARTICLE IX.

Seal.

The seal of the Society of the "SONS OF THE REVOLUTION" shall be one and seven-eighths of an inch in diameter, and shall consist of the figure of a "Minute-man" in Continental uniform, standing on a ladder leading to a belfry, and holding in his left hand a musket and an olive branch, and grasping in his right hand a bell rope. Above, the cracked "Liberty bell"; issuing therefrom a ribbon, bearing the motto of the "SONS OF THE REVOLUTION": "*Exegi Monumentum Ære Perennius.*" Across the top of the ladder, on a ribbon, the figures "1776," and at the left of the Minute-man, and also on a ribbon, the figures "1883," the year of the Centennial commemoration of the permanent evacuation by the British army of American territory; the whole encircled by a band three-eighths of an inch wide; thereon at the top thirteen stars of five points each, and at the bottom the legend, "SONS OF THE REVOLUTION"; the following being a *facsimile* thereof:

The Secretary shall be the custodian of the seal, which shall be identical in every particular with this description.

ARTICLE X.

Insignia.

The insignia of the "SONS OF THE REVOLUTION" shall consist of a badge pendant from the ribbon by a ring of gold.

The badge shall be elliptical in form, with scalloped edges, one and one-quarter inches in length and one and one-eighth inches in width; the whole surmounted by a gold eagle, with wings displayed, inverted. On the obverse side a medallion of gold in the center, el-

liptical in form, bearing on its face the figure of a soldier in Continental uniform, with musket slung. Beneath, the figures "1775"; the medallion surrounded by thirteen raised gold stars of five points each upon a border of dark blue enamel.

On the reverse side, in the center, a medallion, corresponding in form to that on the obverse, and also in gold, bearing on its face Houdon's portrait of Washington in bas relief, encircled by the legend, "SONS OF THE REVOLUTION." Beneath, the figures "1883," and upon the reverse of the eagle, the number of the particular badge engraved; the medallion surrounded by a plain gold border conforming in dimensions to the obverse, upon which members may have their names engraved in script.

The ribbon shall be dark blue, ribbed and watered, edged with buff, one and one-half inches wide and one and one-half inches in displayed length.

The insignia shall be worn by the members conspicuously and only on the left breast on all occasions when they shall assemble as such for any stated purpose or celebration. The badge shall never be worn as an article of jewelry.

The Treasurer of the Society shall procure and issue the insignia to the members and shall keep a record of all issued by him.

Such insignia shall be returned to the Treasurer of the Society by any member who may formally withdraw or resign or be expelled, but otherwise it shall be deemed an heirloom.

No member shall receive more than one badge, unless to replace one, the loss or destruction of which shall first be satisfactorily established.

On occasions other than the meetings for any stated purpose or celebration, members may wear a rosette of the prescribed ribbon and pattern in the upper buttonhole of the left lapel of the coat.

The Treasurer shall procure and issue the rosettes to members.

ARTICLE XI.

Alterations and Amendments.

No alteration nor amendment of the Constitution of this Society shall be made unless notice thereof shall be duly given in writing, signed by the member proposing the same, at a meeting of the Society, nor unless the same shall be adopted at a subsequent meeting, held at least thirty days after such notice, by a vote of three-fourths of the members present.

BY-LAWS.

SECTION I.

Initiation Fee, Dues, and Contributions.

The initiation fee shall be two dollars; the annual dues, three dollars, which shall be payable on or before the first day of January in every year. The initiation fees and dues must accompany every application for membership. The payment at one time of forty dollars shall henceforth exempt the member so paying from the payment of annual dues.

Any member who may contribute one hundred and fifty dollars to the "Permanent Fund" of the Society shall be exempt from the payment of annual dues, and this exemption shall extend in perpetuity to his lineal successors in membership from the same propositus, one at a time, who may be selected for such exemption by the Society.

SECTION II.

Permanent Fund.

There shall be a "Permanent Fund," to be derived from contributions, and to remain forever to the use of the Society, the income only of which shall be expended.

SECTION III.

President.

The President, or in his absence the Vice-President, or in his absence a chairman *pro tempore*, shall preside at all meetings of the Society and of the Board of Managers, and shall exercise the usual functions of a presiding officer, under general parliamentary rules, subject to an appeal to the Society in proper cases under those rules. The President shall be, *ex officio*, a member of all committees other than the Committee on Nominations. He shall have power to

convene the Board of Managers and appoint the place of such meeting when called by him.

He shall also perform such other representative duties on behalf of the Society, either personally or by correspondence, as it or the Board of Managers may find desirable or necessary, or as customarily appertain to his office, and he shall enforce a strict observance of the Constitution and By-laws of the Society.

In case of his decease, resignation, neglect to serve, or inability from any cause to act as President, the duties of the office shall devolve on the Vice-President until the vacancy caused by such decease, resignation, or neglect to serve shall be filled, or until the inability shall cease.

SECTION IV.

Secretary.

The Secretary shall conduct the *general* correspondence of the Society and keep a record thereof. He shall notify all qualified and accepted candidates of their admission, and perform such other duties as the Society or Board of Managers or his office may require of him. He shall have charge of the seal, certificates of incorporation, by-laws, historical and other documents and records of the Society other than those required to be deposited with the Registrar, and shall affix the seal to all properly authenticated certificates of membership and transmit the same without delay to the member for whom it shall be issued or to his proper representative. He shall also notify the Registrar of all admissions to membership, and transmit to him the applications and proofs of eligibility of all persons so admitted. He, together with the presiding officer, shall, when necessary, certify all acts of the Society, and, in proper cases, authenticate them under seal. He shall have charge of all printing and publications directed by the Society or by the Board of Managers. He shall give due notice of the time and place of all meetings of the Society and of the Board of Managers, and shall attend the same. He shall keep fair and accurate records of all the proceedings and orders of the Society and the Board of Managers, and shall give notice to the several officers of all votes, orders, resolves, and proceedings of the Society or of the Board of Managers, affecting them or appertaining to their respective duties; and at the annual meeting, and oftener if required, shall report to the Society the names of those candidates who have been admitted to membership, and also the names of those members

whose resignations or voluntary withdrawals have been consented to and accepted, and also the names of those members who have been expelled or dropped for non-payment of dues or for failure to substantiate claim of descent. In his absence from any meeting, a Secretary *pro tempore* may be designated therefor, unless the Assistant Secretary shall be present to act in such capacity.

SECTION V.

Treasurer.

The Treasurer shall collect and keep the funds and securities of the Society; and as often as those funds shall amount to one hundred dollars they shall be deposited in some bank, which shall be designated by the Board of Managers, to the credit of the Society of the "SONS OF THE REVOLUTION," and such funds shall be drawn thence on the check of the Treasurer for the purposes of the Society only. Out of these funds he shall pay such sums only as may be ordered by the Society or by the Board of Managers, and shall perform such other duties as the Society or Board of Managers or his office may require of him. He shall keep a true account of his receipts and payments, and, at each annual meeting, render the same to the Society with a full statement of the financial condition of the Society, when a committee shall be appointed to audit his accounts.

For the faithful performance of his duty he shall give such security as the Society, or Board of Managers in lieu of its action thereon, may from time to time require.

SECTION VI.

Registrar.

The Registrar shall receive from the Secretary, file and keep on record, all the proofs upon which memberships have been granted, declarations of members on admission of adherence to the Constitution and By-laws of the Society, together with a list of all diplomas countersigned by him, and all documents, rolls, or other evidences of service in the War of the Revolution of which the Society may become possessed; and he, under the direction of the Board of Managers, shall make or cause to be made for file in his office, copies of such original or certified documents as the owners thereof may not be willing to leave permanently in the keeping of the Society.

SECTION VII.

Chaplain.

The Chaplain shall be a regularly ordained minister of a Christian denomination, and it shall be his duty to open and close all meetings with customary chaplaincy services and perform such other duties as ordinarily appertain to such office.

SECTION VIII.

Historian.

The Board of Managers shall have power to appoint a Historian, who shall keep a detailed record, to be deposited with the Secretary, of all the historical and commemorative celebrations of the Society; and he shall edit and prepare for publication such historical addresses, essays, papers, and other documents of a historical character, other than a Registrar of Members, as the Secretary may be required to publish; and at every annual meeting, if there shall be a necrological list for the year then closing, he shall submit the same, with carefully prepared biographies of the deceased members.

SECTION IX.

Assistant Secretary.

The Board of Managers shall have power to appoint an Assistant Secretary, who shall assist the Secretary in the performance of such duties of that office as the latter may from time to time devolve upon him, and may, in such cases, give required notices and certify and authenticate, when necessary, any acts, documents, or records of the Society.

In case of the absence of the Secretary from any meeting of the Society or of the Board of Managers, or of his decease, resignation, neglect to serve, or inability from any cause to act in that capacity, the duties of the office shall devolve on the Assistant Secretary until the Secretary shall return, or until the vacancy caused by such decease, resignation, or neglect to serve shall be filled, or until the inability shall cease.

SECTION X.

Board of Managers.

The Board of Managers shall judge of the qualifications of every candidate who shall make proper application for admission to the

Society, and shall have power to admit him to membership therein, if found eligible under the Constitution of this Society. Three negative votes shall be a rejection of the applicant.

They may, through the Secretary, call special meetings of the Society at such times as they may see fit, and they may arrange for commemorative celebrations by the Society.

They shall recommend plans to the Society for promoting its purposes, and, when practicable, may digest and prepare business for its meetings, and shall supervise all publications issued in its name, and decide whether copies of records or other documents or papers may be furnished on request of any party in cases not pertaining directly to the business of the Society and the proper conduct of its affairs.

They shall generally superintend the interests and shall have the control and management of the affairs and funds of the Society. They shall also perform such duties as may be prescribed by the Constitution and By-laws, or required by any Standing Rule or Resolve of the Society; *provided, however*, that they shall at no time be required to take any action nor contract any debt for which they shall be jointly or severally liable. They shall be competent to consent to and to accept the resignation or voluntary withdrawal from membership of any enrolled member of the Society.

They may require the attendance of any member of the Society, or any official or committee thereof, at any meeting, for consultation and advice.

The Board of Managers shall meet as often as they may desire, or at the call of the President, or upon the written request of any three members of the same addressed to the Secretary.

A majority of the Board of Managers shall be a quorum for the transaction of business.

At every annual meeting they shall submit to the Society a general report of their proceedings during the year then closing, and at such other time as may be required by the Society.

SECTION XI.

Expulsion and Suspension.

The Board of Managers shall have power to expel any enrolled member of this Society who, by a conduct inconsistent with a gentleman and a man of honor, or by an opposition to the interests of the community in general or of this Society in particular, may render

himself unworthy to continue a member, or who shall persistently transgress, or, without good excuse, willfully neglect or fail in the performance of any obligation enjoined by the Constitution or By-laws or any Standing Rule of this Society. *Provided*, that such member shall have received at least ten days' notice of the complaint preferred against him, and of the time and place for hearing the same, and have been thereby afforded an opportunity to be heard in person.

Whenever the cause of expulsion shall not have involved turpitude nor moral unworthiness, any member thus expelled may, upon the unanimous recommendation of the Board of Managers, but not otherwise, be restored to membership by the Society at any meeting.

The Board of Managers shall also have power to drop from the Roll the name of any enrolled member of the Society who shall be at least two years in arrears in the payment of dues, and who, on notice to pay the same, shall fail and neglect to do so within ten days thereafter, and upon being thus dropped, his membership shall cease and determine, but he may be restored to membership at any time by the Board of Managers, on his application therefor, and upon his payment of all such arrears and of the annual dues from the date when he was dropped to the date of his restoration. The Board of Managers may also suspend any officer from the performance of his duties, for cause; which proceeding must be reported to the Society and acted upon by it within thirty days, either by rescission of the suspension or removal of the suspended officer from office, or otherwise the suspension shall cease.

SECTION XII.

Vacancies and Terms of Office.

Whenever an officer of this Society shall die, resign, or neglect to serve, or be suspended, or be unable to properly perform the duties of his office, by reason of absence, sickness, or other cause, and whenever an office shall be vacant, which the Society shall not have filled by an election, the Board of Managers shall have power to appoint a member to such office *pro tempore*, who shall act in such capacity until the Society shall elect a member to the vacant office, or until the inability due to "suspension, absence, sickness, or other cause" shall cease. *Provided*, however, that the office of President or Secretary shall not thus be filled by the Board of Managers when there shall be a Vice-President or Assistant Secretary to enter upon the duties of those offices respectively.

In like manner, the Board of Managers may supply vacancies among its members, under the same conditions and limitations; and in case any member thereof, other than an officer, shall be absent from three consecutive meetings of the same, his place therein may be declared vacant by the Board of Managers and filled by an appointment which shall continue in full effect until the Society shall elect a successor.

Subject to these provisions, all officers of the Society, and the members of the Board of Managers, shall, from the time of their election or appointment, continue in their respective offices until the next annual meeting, and until their respective successors shall be duly chosen.

SECTION XIII.

Resignation.

No resignation or voluntary withdrawal from membership of any member enrolled in this Society shall become effective as a release from the obligations thereof unless consented to and accepted by the Board of Managers.

SECTION XIV.

Disqualification.

No person who may be enrolled as a member in this Society shall be permitted to continue in membership where the proofs of claim of qualification by descent shall be found to be defective and insufficient to substantiate such claim, or not properly authenticated. The Society, or the Board of Managers, may, at any time after thirty days' notice to such person to properly substantiate or authenticate his claim, require the Secretary to erase his name from the list of members, and such person shall thereupon cease to be a member: *Provided*, he shall have failed or neglected to comply satisfactorily with such notice.

Where the Board of Managers shall direct the erasure of a person's name for a cause comprehended under this section, such person shall have a right of appeal to the next annual meeting of the Society; but he shall not be restored to membership unless by a vote of three-fourths of the members present on that occasion, or at a subsequent meeting to which the consideration of the appeal may have been specifically postponed.

SECTION XV.

Annual and Special Meetings.

The Society shall hold an annual meeting at the headquarters of the Society in the Nathan Hale Schoolhouse in the town of East Haddam in the month of June, 1901, and each year thereafter at the call of the Board of Managers, at which a general election of officers and managers by ballot shall take place.

In such election the polls shall be open one and one-half hours, and a majority of the ballots given for any office or for a manager shall constitute a choice therefor; but, if on the first ballot no member shall receive such a majority, then a further balloting, in such case, shall forthwith take place, in which a plurality of votes given shall determine the choice therefor. During any election the regular Order of Business may be proceeded with.

Special meetings shall be held by direction of the Board of Managers, or upon the written request of thirty members of the Society, at such time and place as said Board may direct. At such special meeting no business shall be transacted except such as shall be specified in the notice therefor.

One week's notice of time and place of annual or special meetings shall be given by mailing through the post-office in said city a written or printed notice to every member of the Society.

At all meetings of the Society the members present shall constitute a quorum for the transaction of business.

The meetings of the Society for business shall be generally conducted according to parliamentary law and the following Order of Business shall, as far as the same may be applicable, be followed:

Order of Business.

1. Meeting called to order by Presiding Officer.
2. Prayer by the Chaplain.
3. Reading of minutes of prior meetings not previously acted upon.
4. Election of officers and managers, when necessary.
5. Communications from or Report of Board of Managers.
6. Reports of Officers.
7. Reports of Special Committees.
8. Unfinished business.
9. Written communications requiring action of the Society.
10. Specially noticed business.
11. Notices of motion for subsequent meeting.

12. Miscellaneous business.
13. Reading of the Preamble to this Constitution.
14. Closing Prayer by the Chaplain.

SECTION XVI.

Service of Notices.

It shall be the duty of every member to inform the Secretary, by written communication, of his place of residence and of any change thereof, and of his post-office address.

Service of any notice under this Constitution or By-laws upon any member of the Society, addressed to him at his last recorded place of residence or post-office address, and forwarded by mail, shall be deemed sufficient service of such notice.

SECTION XVII.

Recommendation of Candidates.

No member shall approve an application for membership in this Society unless he shall *know* the candidate to be worthy, and shall have satisfied himself by due examination of proofs that such candidate is eligible, and will, if admitted, be a desirable member.

SECTION XVIII.

Nominating Committee.

The Society may, at the annual meeting, choose a Nominating Committee, of nine members, to nominate officers and members of the Board of Managers, for election at the succeeding annual meeting.

In case the Society shall not choose such a Committee, the President shall, prior to every annual meeting, appoint such a Nominating Committee of nine members from among the members longest enrolled as such, who may consent to serve on such Committee, exclusive of officers or members of the Board of Managers.

The Nominating Committee shall select and nominate a ticket of the names proposed to fill the respective offices, to be elected by ballot, which ticket shall be printed and distributed as the "Regular Ticket" at the ensuing annual election.

In order to secure as far as may be in the Board of Managers stability in procedure and familiarity with precedents in the business affairs of the Society, every Nominating Committee shall, in making nominations for the suffrages of the Society of members of said Board other than those who are *ex officio* members, so arrange their

recommendations as to provide for the retirement annually of not less than three nor more than four of those who shall have served longest continuously on said Board, and for the continuance of a proportionate number.

SECTION XIX.

Decease of Members.

Upon the decease of *any* member, notice thereof, and of the time and place of the funeral, shall be given by the Secretary by publication, and it shall thereupon become the duty of the members, when practicable, to attend the obsequies.

Any member, upon being informed of the decease of a member, shall make it his business to see that the Secretary is promptly notified of the fact, which fact shall also, in due time, be communicated to the Society.

SECTION XX.

Certificate of Membership.

Every member shall be entitled to receive a certificate of membership, which shall be authenticated by the President and Secretary, and countersigned by the Registrar of the Society, and to which the seal of the "SONS OF THE REVOLUTION" shall be affixed. The certificate shall be in form following:

"SONS OF THE REVOLUTION."

Be it known that.....has been duly admitted a member of this Institution in right of the services ofin the cause of American Independence during the War of the Revolution.

Dated at the city of....., this.....day ofin the year of our Lord.....thousandhundred and....., and of the Independence of the United States of America the.....

.....
President of the Society.

.....
Secretary of the Society.

.....
Registrar.

SECTION XXI.

Marshal.

The President of the Society may, from time to time, in his discretion, designate a member to act, under his direction, as Marshal for the Society in its commemorative celebrations, parades, and other meetings, and to perform such duties as usually appertain to such a position.

SECTION XXII.

Alterations or Amendments.

No alteration nor amendment of the By-laws of this Society shall be made unless notice thereof shall be duly given in writing, signed by the member proposing the same, at a meeting of the Society, nor unless the same shall be adopted at a subsequent meeting, held at least thirty days after such notice, by a vote of two-thirds of the members present.

INSTRUCTIONS TO APPLICANTS.

The application must be presented in duplicate upon the forms issued by the Society.

The record of the ancestors' military service should be given fully, but concisely.

It is not necessary to show the pedigree any farther back than the ancestor who served in the war.

The Society does not accept encyclopedias, genealogical works, or town or county histories, except such as contain rosters, as authorities for proofs of service.

In referring to printed works the volume and page should be given. Reference to authorities, in manuscript, must be accompanied by certified copies, and authentic family records must be submitted, if required.

Every application must be signed by the applicant, and sworn to by him, and it must be indorsed by two members of the Society. When the applicant is not personally known to any member of the Society, whom he can ask to recommend his application, he must submit to the Secretary, when he files his papers, the names of two respectable citizens of the State to whom he refers by permission. When an applicant claims descent from more than one Revolutionary ancestor, then "Supplementary" applications must be made in duplicate from each ancestor.

Supplementary claims are to be treated in form and procedure precisely as original applications. No extra cost for filing supplementary claims.

To begin to make a search for proofs, the applicant must know the State the ancestor served from, and in writing officials simply ask "for the military services of A. B., said to have been a soldier in the Revolutionary War," and they will inform you what rank they find and any other data the records show. Also, give the name of town or county he served from, if you know. And correspond with the following officials, and others, named in the various States, for certificates of military service, and the fees for the same:

VERMONT. Write General T. S. Peck, Adjutant-General, Montpelier. No charge for making research, but where the name is found the charge is \$2 for furnishing certificate.

NEW HAMPSHIRE. Write Hon. Ezra S. Stearns, Secretary of State, Concord. No charge for making research, but where name is found the charge is \$3 for furnishing certificate.

MASSACHUSETTS. Write Hon. Wm. M. Olin, Secretary of State, Boston. No charge for making research, but where the name is found the charge is \$1 for furnishing certificate.

RHODE ISLAND. Write Secretary of State, Providence. No charge for making research, but where name is found the charge is \$1.50 for furnishing certified record.

DELAWARE. Write Secretary of State, Dover. The charge for furnishing records is two cents per line, and \$1 additional for certificate.

CONNECTICUT. This State has published a very complete roster containing 27,000 names.

NEW YORK. This State has published a roster containing 40,000 names.

NEW JERSEY. This State has very complete records. Write General Wm. S. Stryker, Adjutant-General, Trenton. No charge for making research or furnishing certificate.

PENNSYLVANIA. Write Dr. Wm. H. Egle, State Librarian, Harrisburg, who will cause a search to be made to find the name, the fee for which will be \$2, and if the name is found and a certificate furnished, \$1 more, or \$3 in all.

MARYLAND. Write Hon. Philip D. Laird, Annapolis, Commissioner of the Land Office, who will make a research for name, for twenty-five cents and seventy-five cents additional for furnishing certificate.

VIRGINIA. The Revolutionary records in this State are very meager and it is difficult to find anything, and consists mainly of records of land bounty warrants which were issued by the State to soldiers who had served three years or more. Write Mr. W. G. Stannard, 314 West Cary Street, Richmond, a gentleman highly recommended, who has given considerable attention to tracing Virginia genealogies, who will make research of everything there is available at the State capitol to find the name, for which he charges \$1 to be paid in advance. If he finds the name he will notify applicant and will charge \$1.50 more to furnish certificate of whatever he finds.

NORTH CAROLINA. The Revolutionary rolls of this State are very meager. Mr. T. P. Jerman, Chief Clerk in the State Auditor's

Department, Raleigh, will undertake to search for any name, and if found will furnish a certificate of the same for \$5. No charge unless certificate is made.

SOUTH CAROLINA. There are no rosters in existence of the Revolutionary soldiers from this State so far as known, the principal records preserved are those of officers. The New York Historical Society, 175 Second Avenue, New York city, has a few volumes containing some rosters of officers and privates, but very meager.

GEORGIA. Write Wm. Harden, Secretary Georgia Historical Society, Savannah, for information of Georgia soldiers. That society has books and manuscripts which contain much useful information relating to the Revolutionary period.

PENSIONS.

The Government passed no general pension laws until 1818, when it granted pensions to those who had served nine months or more in the Continental Army or Navy. In 1832 pensions were granted to all officers and soldiers, whether Continental, State, or Militia, who had served in one or more terms, a period of two years. If the applicants have reason to believe their ancestors drew a pension under these Acts they can get a record of their military service by writing the Honorable Commissioner of Pensions at Washington. There is no cost for obtaining this data, and it takes about thirty days to get a reply.

A mistaken idea prevails that there are on file in the Adjutant-General's office in Washington complete rosters of the soldiers of the Revolutionary War, and that it is only necessary to write to that department to obtain a record of the ancestors' service. There are no complete rosters of the Revolutionary soldiers in any department of the government nor anywhere else. The rosters that were on file in the War Department were lost by the destruction of the temporary building, in which they were stored, by fire, in 1800, and again by the burning of the public buildings, by the British, in 1814.

The records remaining in the different departments at Washington containing the rosters of the Revolutionary soldiers have been transferred to the charge of Colonel F. C. Ainsworth, U. S. Army, Chief Record and Pension office, War Department, Washington, D. C., who will furnish free of charge the record of any Revolutionary soldier whose name may be found on the rolls in his office. Colonel Ainsworth has established the following rules:

The applicant in his request for information must give the name of the State his ancestor served from, also give the relationship of the ancestor to the applicant, and the purpose for which he desires the information.

The fees should in all cases accompany the inquiry made of officials, who will return the money where no charge is made for research.

INSIGNIA.

Authority has been given by Congress to the officers and men of the army and navy to wear the Insignia of the Societies of the Revolution and other military societies, and thus has given recognition to the following: "Society of the Cincinnati," "Sons of the Revolution," "Society of the War of 1812," "Aztec Society," "Loyal Legion," and "Grand Army of the Republic."

The joint resolution of Congress is as follows:

1. Joint Resolution granting permission to officers and enlisted men of the Army and Navy of the United States to wear badges adopted by Military Societies of the Men who served in the War of the Revolution, War of 1812, the Mexican War, and the War of the Rebellion.

Resolved by the Senate and House of Representatives of the United States of America, in Congress assembled:

That the distinctive badges adopted by Military Societies of Men who served in the armies and navies of the United States, in the War of the Revolution, the War of 1812, the Mexican War, and the War of the Rebellion, respectively, may be worn upon all occasions of ceremony by officers and enlisted men of the Army and Navy of the United States, who are members of said organizations in their own right.

Approved, September 25, 1890.

CONSTITUTION
OF THE
GENERAL SOCIETY OF SONS OF THE REVOLU-
TION.

It being evident, from a steady decline of a proper celebration of the National holidays of the United States of America, that popular concern in the events and men of the War of the Revolution is gradually declining, and that such lack of interest is attributable, not so much to the lapse of time and the rapidly increasing flood of immigration from foreign countries, as to the neglect, on the part of descendants of Revolutionary heroes, to perform their duty in keeping before the public mind the memory of the services of their ancestors and of the times in which they lived; therefore, the Society of Sons of the Revolution has been instituted to perpetuate the memory of the men who, in the military, naval and civil service of the Colonies and of the Continental Congress, by their acts or counsel, achieved the independence of the country, and to further the proper celebration of the anniversaries of the birthday of Washington, and of prominent events connected with the War of the Revolution; to collect and secure for preservation the rolls, records, and other documents relating to that period; to inspire the members of the Society with the patriotic spirit of their forefathers; and to promote the feeling of friendship among them.

The General Society shall be divided into State Societies, which shall meet annually on the day appointed therefor in their respective by-laws, and oftener if found expedient; and at such annual meeting the reasons for the institution of the Society shall be considered, and the best measures for carrying them into effect adopted.

The State Societies, at each annual meeting, shall choose, by a majority of the votes present, a President, a Vice-President, a Secretary, a Registrar, a Treasurer, a Chaplain, and such other officers as may by them respectively be deemed necessary, together with a

Board of Managers consisting of these officers and of nine other members, all of whom shall retain their respective positions until their successors are duly chosen.

Each State Society shall cause to be transmitted annually, or oftener, to the other State Societies, a circular letter calling attention to whatever may be thought worthy of observation respecting the welfare of the Society or of the general union of the States, and giving information of the officers chosen for the year; and copies of these letters shall also be transmitted to the General Secretary, to be preserved among the records of the General Society.

The State Societies shall regulate all matters respecting their own affairs, consistent with the general good of the Society; judge of the qualifications of their members or of those proposed for membership, subject, however, to the provisions of this Constitution; and expel any member who, by conduct unbecoming a gentleman or a man of honor, or by an opposition to the interests of the community in general or of the Society in particular, may render himself unworthy to continue in membership.

In order to form funds that may be respectable, each member shall contribute, upon his admission to the Society and annually thereafter, such sums as the by-laws of the respective State Societies may require; but any of such State Societies may provide for the endowment of memberships by the payment of proper sums in capitalization, which sums shall be properly invested as a permanent fund, the income only of which shall be expended.

The regular meeting of the General Society shall be held every three years, and special meetings may be held upon the order of the General President or upon the request of two of the State Societies, and such meetings shall consist of the General Officers and a representation not exceeding five deputies from each State Society, and the necessary expenses of such meeting shall be borne by the State Societies.

(The following amendment to the Constitution was proposed at the meeting of the General Society held in Denver, Colorado, on April 19, 1899, and will be voted on at the next regular meeting:

"Strike out from the seventh paragraph of the Constitution of the General Society the words 'of the General Officers and a representation not exceeding five deputies from each State Society,' and insert the following: 'of two delegates from each State Society and one additional delegate for every one hundred (100) members or major fraction thereof: and on all questions arising at meetings of the General Society each delegate there present shall be entitled to one vote, and no votes shall be taken by States.'")

At the regular meeting a General President, General Vice-President, General Second Vice-President, Secretary, Assistant Secretary, Treasurer, Assistant Treasurer, Registrar, Historian, and Chaplain shall be chosen by a majority of the votes present, to serve until the next regular general meeting, or until their successors are duly chosen.

At each general meeting the circular letters which have been transmitted by the several State Societies shall be considered, and all measures taken which shall conduce to the general welfare of the Society.

The General Society shall have power at any meeting to admit State Societies thereto, and to entertain and determine all questions affecting the qualifications for membership in or the welfare of any State Society as may, by proper memorial, be presented by such State Society for consideration.

Any male person above the age of twenty-one years, of good character, and a descendant of one who, as a military, naval, or marine officer, soldier, sailor, or marine, in actual service, under the authority of any of the thirteen Colonies or States, or of the Continental Congress, and remaining always loyal to such authority, or a descendant of one who signed the Declaration of Independence, or of one who, as a member of the Continental Congress or of the Congress of any of the Colonies or States, or as an official appointed by or under the authority of any such legislative bodies, actually assisted in the establishment of American Independence by services rendered during the War of the Revolution, becoming thereby liable to conviction of treason against the government of Great Britain, but remaining always loyal to the authority of the Colonies or States, shall be eligible to membership in the Society.

The Secretary of each State Society shall transmit to the General Secretary a list of the members thereof, together with the names and official designations of those from whom such members derive claim to membership, and thereafter upon the admission of members in each State Society, the Secretary thereof shall transmit to the General Secretary information respecting such members similar to that herein required.

The Society shall have an insignia, which shall be a badge suspended from a ribbon by a ring of gold; the badge to be elliptical in form, with scalloped edges, one and one-quarter inches in length, and one and one-eighth inches in width; the whole surmounted by a gold eagle, with wings displayed, inverted; on the obverse side a medallion

of gold in the centre, elliptical in form, bearing on its face the figure of a soldier in Continental uniform, with musket slung; beneath, the figures "1775"; the medallion surrounded by thirteen raised gold stars of five points each upon a border of dark blue enamel. On the reverse side, in the center, a medallion corresponding in form to that on the obverse, and also in gold, bearing on its face the Houdon portrait of Washington in has relief, encircled by the legend, "Sons of the Revolution"; beneath, the figures "1883"; and upon the reverse of the eagle the number of the badge to be engraved; the medallion to be surrounded by a plain gold border, conforming in dimensions to the obverse; the ribbon shall be dark blue, ribbed, and watered, edged with buff, one and one-quarter inches wide, and one and one-half inches in displayed length.

The insignia of the Society shall be worn by the members on all occasions when they assemble as such for any stated purpose or celebration, and may be worn on any occasion of ceremony; it shall be carried conspicuously on the left breast, but members who are or have been officers of the Society may wear the insignia suspended from the ribbon around the neck.

The custodian of the insignia shall be the General Secretary, who shall issue them to members of the Society under such proper rules as may be formulated by the General Society, and he shall keep a register of such issues wherein each insignia issued may be identified by the number thereof.

The seal of the Society shall be one and seven-eighths inches in diameter, and shall consist of the figure of a Minute-man in Continental uniform, standing on a ladder leading to a belfry; in his left hand he holds a musket and an olive branch, whilst his right grasps a bell-rope; above, the cracked Liberty Bell; issuing therefrom a ribbon bearing the motto of the Society, "*Exegi monumentum aere perennius*"; across the top of the ladder, on a ribbon, the figures "1776"; and on the left of the Minute-man, and also, on a ribbon, the figures "1883," the year of the formation of the Society; the whole encircled by a band three-eighths of one inch wide; thereon at the top thirteen stars of five points each; at the bottom the name of the General Society, or of the State Society to which the seal belongs.
